

2003 Wetland Management in the Hawaiian Islands Workshop

The Hawaii Chapter of The Wildlife Society is proud to sponsor the 2nd Annual **Wetland Management in the Hawaiian Islands Workshop**. This year's workshop will focus on the protection and management of Hawaiian wetlands for native species. This workshop strives to bring together a broad spectrum of individuals, agencies and organizations involved in wetland management in Hawaii for an update on a wide variety of topics including water bird habitat management, upcoming wetland restoration projects, reviews of mitigation projects, wetland delineation and regulations, fundraising, and updates on endangered water bird recovery in Hawaii.

Workshop Topics will include: *

Hawaiian Wetland Hydrology • Kawainui Marsh Water Quality Monitoring and Hawaiian Stilt Habitat Design • Hawaiian Stilt Nesting Research Findings • Hawaiian Moorhen Ecology • Mangrove Research, Management and Control • Native Wetland Plant Restoration • Grant Writing/Financial Resources • Wetland Protection and Restoration Partnership • 2002/2003 Hamakua Marsh Water Bird Monitoring • State Water Bird Survey Update and Endangered Water Bird Population Modeling • Shorebird Conservation Plan • Feral Duck Control • Koloa/Hybrid I.D. • USDA/Wetland Ecology • Hawaiian Water Bird Recovery Plan • Pacific Coast Joint Venture Hawaiian Wetlands Strategic Plan

** Subject to change*

When: October 16 & 17, 2003. 8:30 a.m. to 4:30 or 5:00 p.m. both days.

Where: Keoni Auditorium at the East-West Center on the University of Hawaii Manoa campus. Parking provided.

The Wildlife Society is an international scientific and education organization representing professional wildlife biologists. The principal objectives of The Wildlife Society are to develop and promote sound stewardship of wildlife resources and the environments which they depend on; increase awareness and appreciation of wildlife values; and seek the highest standards in all activities of the wildlife profession. All proceeds from the workshop will assist The Wildlife Society – Hawaii Chapter with its wetland restoration, professional development and educational programs. Mahalo for your support!
